Why this specific Category?

Sunrise sector

home possessions are at its peak

Influencer network (architects)

high potential to cross sell using the existing network of each category partner

Brand building potential

across all categories - current industry is largely fragmented with unorganized, small businesses with very few regional players so far doing anything beyond the mass market.

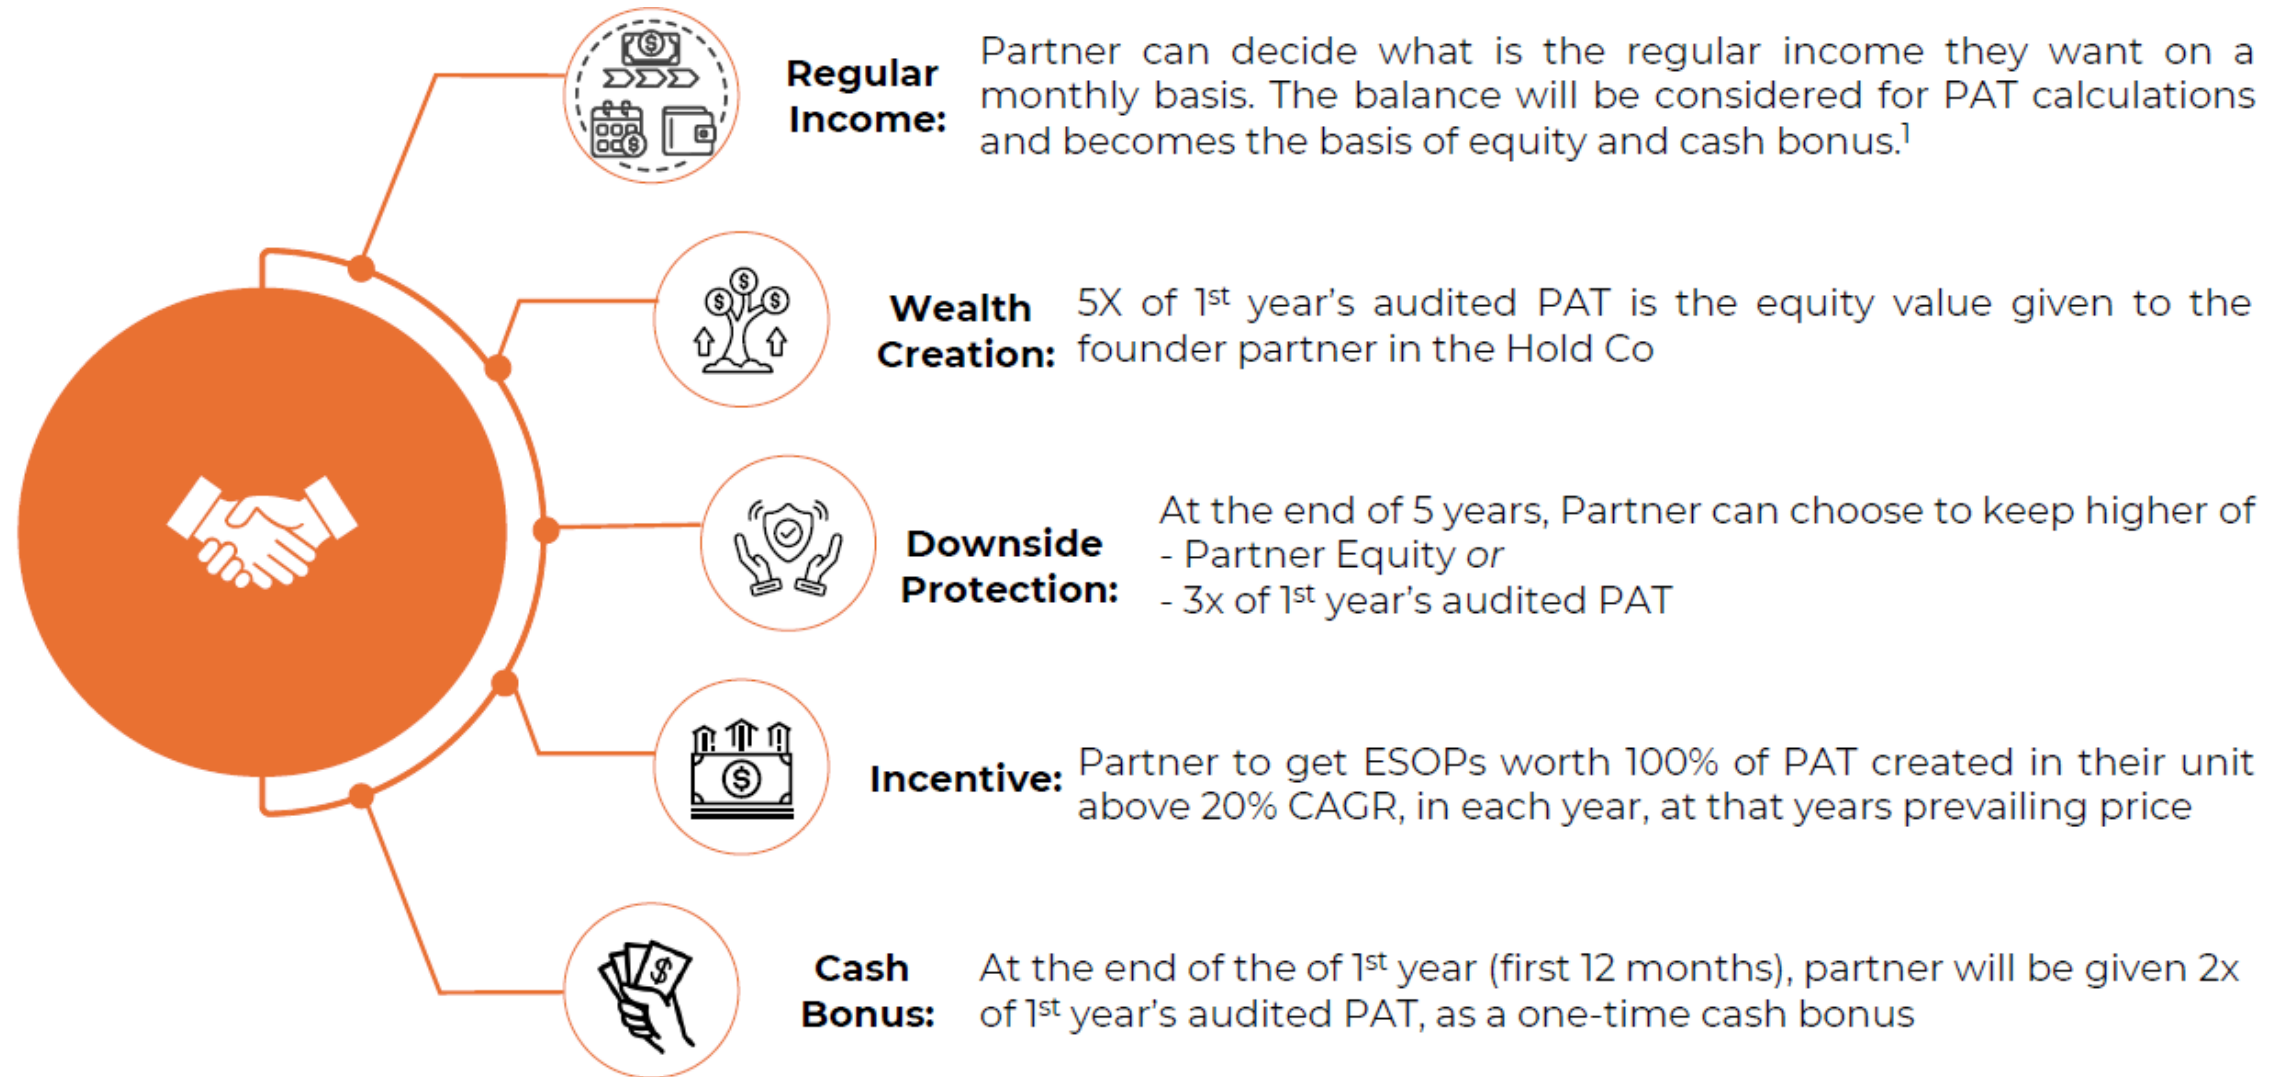

Profitability

Ebitda Margins are healthy; upwards of 20% for all the categories under consideration

Mass premium

none to very few established brands for this segment in most of the categories
